

NeatNook™

My School Desk Organizer

Assembly Instructions

Follow the 3 easy steps below or watch the "90 seconds to Neat" assembly video!
www.myneatnook.com

Step 1

- Lay the NeatNook™ down on a flat surface, brown side up, with side **F** furthest away from you.
- Bend up on the scored lines all around the base.

Step 2

- Lay divider **A E** brown side up.
- Fold side **1** over side **2** and press firmly.
- Fold side **2** over side **3** and press firmly.
- Repeat process for divider **C C**.
- Firmly hold dividers above the notches and insert to form a "t".
- Flex open the lettered tabs and place on top of the base with **A** closest to you.

Step 3

- Fold side **B** over divider tab **A** and press firmly into notch.
- Fold side **D** over divider tab **C** and press firmly into notch.
- Fold side **F** over divider tab **E** and press firmly into notch.
